

STUDENT PHOTO/VIDEO CONSENT FORM

Dear Parents,

The photo and video images of our students in school publications and on the school website can be motivating for the children involved and can provide a good opportunity to promote the work of the school. Since we take the issue of child safety very seriously, we will never include the full name of the student alongside an image, except in our yearbook which is made available to our parents only. We ask parents to consent to the school taking and using photographs and images of their children.
