## WELCOME MESSAGE

On behalf of our Faculty and Staff, I take pleasure in welcoming you to Highpoint Academy! It is our goal for all our students to be happy and enthusiastic learners who love to learn. With our small student/teacher ratios, we customize learning and we work hard to meet the individual needs of all our students. Striving to reach our goals is a cooperative effort on the part of our administration, faculty and staff as well as our students, parents and family members. We welcome your suggestions and solicit your cooperation in this venture so the results will be well worth the effort.

This manual, containing important information about our school, is available on our Highpoint Families website year-round. Our administration reviews the policies, rules & regulations stated herein on a regular basis and revisions may be made at any time. We will continuously strive to provide academic excellence, and to promote character education, imagination, innovation and creative thinking, utilizing the latest technological tools. We hope to foster successful, lifelong learners who will develop to their maximum potential and blossom into future leaders of tomorrow.

## OUR PROGRAMS

The programs offered at Highpoint's Main Campus are designed to provide a high-quality, bilingual education for students with average to above-average academic abilities, good attitude and appropriate behavior. Students will be subjected to a challenging and rigorous curriculum in preparation for their continued High School education after graduation from 8th Grade.

## PHILOSOPHY AND OBJECTIVES

Each independent school is unique - founded by individuals pursuing a vision of superior education, combined with moral traditions. The philosophies and objectives of our school reflect the heritage, vision, goals, enthusiasm, dedication, experience and energies of its founder, Alicia A. Casanova. We believe that:

- All students deserve to be taught in a way that respects their differences, that challenges their thought process, that stimulates creativity, imagination and outside the box thinking.
- Students learn in different ways and thus we must provide them with a variety of instructional approaches focusing on their individual learning styles.
- Each student is a valued individual with unique physical, social, emotional, intellectual and spiritual needs.
- The teachings of character education and core traits are essential in helping our students grow up to be respectful, responsible, honest and ethical adults of tomorrow.
- Through consistency in discipline, love and encouragement, and a solid academic curriculum with small classes and individualized attention, we can achieve success.
- The self-esteem of our students can be enhanced by positive relationships and mutual respect between students and faculty.
- In order for our students to succeed, we must provide them with a safe, nurturing and orderly environment.
- It is important for our students to learn how to speak, read and write in both Spanish and English correctly.
- Teachers, Administrators and Parents share the responsibility of advancing and enforcing our school's objectives.
- Every teacher is expected to teach students with compassion, patience and dedication.

Our goal is for our students to appreciate their uniqueness, to prosper socially, to learn how to think and respond for themselves, to be leaders, to learn the meaning of responsibility, to respect the rights of others, to know the difference between right and wrong in an intuitive manner, and to develop to their fullest potential. We promote positive reinforcement, constant communication between teachers and parents, and a structured learning environment in order to achieve our goals.

At Highpoint, each child's individual learning styles and character strengths are encouraged and rewarded. Our teachers are expected to tailor their teaching to each student, not to a class average. When a child needs help, it is always available, very often on a one-on-one. When a child succeeds, there's a personal recognition that reinforces that "winning" feeling. We provide a safe environment where all students can explore ideas and feelings. We offer the guidance that ensures that children will not get lost in the process of this exploration. We're proud to consider ourselves an extension of each Highpoint Family!

## CODE OF ETHICS

1. We will not discriminate on the basis of race, color or ethnic origin in our student admissions or in our hiring policies and we will abide by all local, state and federal laws at all times.
2. The welfare of our students will be the primary concern in all decisions made.
3. We will carry out commitments made to students, teachers, staff members, school organizations, patrons and the general public.
4. We will carefully avoid misleading or ambiguous statements about the philosophy, stated missions and/or status of our school.
5. All Policies, Procedures, Rules and Regulations, Emergency Procedures and Health and Safety Policies of Highpoint Academy will be made available at all times to Parents and Students on our website.
6. We will not recruit or knowingly initiate attempts to bring about transfer of a student from another independent school to our school.
7. We will recognize our obligation to keep, protect and preserve the records of a student's attendance and achievements.
8. We will maintain the confidentiality of reports and information exchanged amongst ourselves and safeguard the records of all our students and employees.

9. We will not complete the enrollment process of a student without obtaining from the Parents, and/or current school, all transcripts, test scores, Progress Reports and any other pertinent information concerning student.
10. We will respect the rights of a teacher to visit and consider employment in another school without prior notification.
11. We will maintain regular communication with parents and respond to phone calls, letters or emails within a reasonable timeframe.
12. Highpoint's Administration, Faculty and Staff all assume responsibility for the education and safety of all students and for fulfilling the ethics and principals of good practice as stated in this Code of Ethics.

All transportation is sub-contracted and arrangements are made directly by the parents, unless transportation is required for a school event such as Awards Night rehearsal, Graduation Pictures at Bent Tree Park, or Graduation rehearsal in which the school will make the necessary arrangements. A licensed and insured school bus or van will be sub-contracted for any field trips.

All students must be driven in motorized vehicles to/from our school. Students are not allowed to walk or ride their bicycle to/from our school at any time. Highpoint employees are prohibited from transporting a student to/from any location, including field trips or their home, under any circumstances. School supplies must be brought to school on the first day and remain at the school throughout the year. ONLY those books needed for Homework assignments should be taken home. Students must have sufficient supplies at all times. Borrowing iPads, books, pencils, paper, etc. is not permitted. Students are responsible for the safekeeping of their iPads and all their books and supplies. Parents (or students) will be responsible to replace any lost or stolen iPads and all missing supplies or personal belongings. Highpoint Academy will not be liable for any lost or stolen iPads or school supplies.

## EXTRA-CURRICULAR CLASSES

Highpoint offers the benefit of facilitating many extra-curricular classes for the students after school. Specialized instructors are sub-

Parent Initial \_\_\_\_\_

contracted to teach these classes at our facilities. Parents must pay the teachers (or companies) directly for these classes. These payments are to be made quarterly and in advance, on the first day of each quarter. Fees for extra-curricular classes such as Ballet, Lyrical Dance, Band, Piano, Yoga, Tae Kwon Do, Arts & Crafts, Gardening Club, Bootcamp, Cheerleading, all athletics, etc. are NOT included in the tuition. These fees will vary and will be charged separately. All payments for extra-curricular classes must be made payable to each individual extra-curricular instructor.

## FIELD TRIPS AND EDUCATIONAL TOURS

We have resumed off-campus field trips and educational experiences. Participation in these activities requires parental consent at all times. In-House field-trips and educational experiences are also planned throughout the year. Additional field trip fees are not included in the tuition. Highpoint's PTO "gifts" our school a minimum of one educational experience a year. Parent volunteers are not permitted on campus unless arranged by our PTO board and approved by Administration.

## INTERACTIVE SMARTBOARDS

All classrooms at Highpoint have interactive SmartBoards or ClearTouch Boards to help improve learning outcomes. SMARTBoards/ Clear Touch Boards provide a hands-on way for students and teachers to collaborate interactively. All our interactive Boards provide opportunities for collaborative learning and sense stimulation to bring magical moments to the classroom environment. Students are prohibited from vandalizing or using the electronic boards inappropriately or without direct authorization.

## LIBRARY - MEDIA

Libraries are a primary source for information and curriculum support, especially in support of the idea that "Readers are Leaders." Due to advancements in technology and increased access to multiple literary resources via digital forums, we no longer require physical libraries or library books in the classrooms for the upper grades (4th-8th Grades). Our "decentralized" classroom libraries are located in each of the VPK thru 3rd Grade classrooms. Libraries and "Check-Out" logs are managed by the classroom teacher if students request to take a classroom book home. Students are encouraged to check out books as often as they'd like and to utilize non-print research materials as well.

## STANDARDIZED TESTING ~ STUDENT ASSESSMENTS

**KINDERGARTEN thru 8TH GRADE:** As a private school, our students are not required to take the FSA (Florida Standards Assessment) which subjects them to extensive, stressful year-round preparations. Highpoint teachers are not compensated or rewarded based on the results of any standardized test. Our school is not graded by any government entity. Instead, all K-8 Highpoint students take the **STANFORD ACHIEVEMENT TEST SERIES Tenth Edition (SAT)** which compares their results to national norms. Although they take practice tests so they can familiarize themselves with the standardized testing process, the SAT reflects what each child knows or doesn't know in numerous areas so there is no drilling or other stressful preparations. The results are provided to parents and averages for each grade are posted on-line. The standard of excellence in achievement testing for over 80 years, the *Stanford Achievement Test Series* offers a state-of-the-art tenth edition to measure student progress toward high academic standards. The Stanford 10 multiple-choice assessment will help educators find out what students know and are able to do. This technically excellent instrument provides the valid and reliable tool needed for objective measurement of achievement. Teachers use the results to identify and help children who are at risk of being left behind.

**KINDERGARTEN STUDENTS:** During the Fall of each year, Kindergarten students that attended Highpoint's VPK Program (Voluntary Prekindergarten) the previous year must take the **FLORIDA KINDERGARTEN READINESS SCREENER (FLKRS)** assessment as specified in VPK legislation (Section 1002.69(1) in the Florida Statutes (F.S.)) FLKRS is comprised of the **Early Childhood Observation System (ECHOS)**. Highpoint's Kindergarten Teachers have been trained to implement these assessments at our school for the convenience of our Parents. Results of these assessments will be provided to parents and are also be posted on-line at [dadeschools.net](http://images.pearsonclinical.com/images/pdf/brochures/echos.pdf). <http://images.pearsonclinical.com/images/pdf/brochures/echos.pdf>

**VPK STUDENTS:** Per Florida Statutes 1002.67(3), VP, Voluntary Prekindergarten Education Programs must implement an evidence-based pre- and post- assessment that has been approved by rule of the State Board of Education. As a VPK Provider, we administer

the **Florida VPK Assessment Period 1 (AP1)** during the first 30 calendar days of VPK. We also **voluntarily** administer **Assessment Period 2 (AP2)** mid year. **Assessment Period 3 (AP3)** is administered during the last 30 calendar days of the VPK year. These assessment tools serve to track a child's development over the course of the year. The purpose of these assessments is to provide teachers with valid and reliable feedback regarding children's progress in attaining the skills in the Florida Early Learning and Developmental Standards for Four Year Olds, so that teachers may use this information to guide instructional decisions in the VPK classroom. The VPK Assessment includes progress monitoring measures in the areas of Print Knowledge, Phonological Awareness, Mathematics and Oral Language/Vocabulary that are aligned with the Standards for Four Year Olds.

## PARENT-TEACHER ORGANIZATION (PTO)

Highpoint Academy has an organized and incorporated non-profit PTO with its own Board of Directors and separate checking account. All members are volunteer parents/grandparents. The sole purpose of this organization is to raise funds in order to acquire items that will be beneficial to the faculty and/or student body. The volunteer PTO members meet several times a year, or as needed. Highpoint welcomes all of its PTO members and continuously appreciates their time, commitment, and dedication to our school. All parents are welcome to join this valuable organization.

## LOST AND FOUND

Students are responsible for all their belongings throughout the year. All articles (books, supplies, lost uniforms, etc.) which have been found are taken to the office. Lost articles can be claimed by proper identification. It is important to clearly mark all items with the student's name and grade. We are not responsible for any lost items.

## CHEWING GUM

Students are not allowed to chew gum at any location of the school campus. Detentions may be assigned to students caught chewing gum or dispensing gum on school property, including discarding gum underneath desks or furniture.

## HALL PASSES ~ BUDDY SYSTEM

Students must obtain a PASS prior to exiting their classroom during the school day in order to go to the office, restroom, drinking fountain, etc. Children must walk in « Buddy System » meaning they must be accompanied by another child from their classroom at all times. Passage shall be by the shortest and quickest route without stopovers at other points or without bothering other classes in session. Hall passes shall be issued by teacher as needed and must be returned to the teacher who originated it.

## CHARACTER EDUCATION / CITIZENSHIP

It is each student's responsibility to display qualities of good citizenship. Appropriate conduct is expected in the halls, in the cafeteria, on the playground, in the classroom, while riding a bus, or at any time during a field trip after leaving school grounds. Highpoint teachers want students to become good citizens. Special emphasis will be given to honesty, morality, and courtesy. Obedience to law, respect of our country's flag, appreciation of the Constitution of the United States, respect for teachers, parents and staff are all characteristics desired and expected of all our students. Our "Character Education" Program reinforces numerous essential core values.

## AWARDS CEREMONY AND GRADUATIONS

At the end of each school year, Grades 1 to 7 students participate in a "Promotion & Awards Ceremony" where plaques, awards, medals and certificates are presented to students who excel in various areas. Two beautiful graduation ceremonies; (Kindergarten and 8th Grade) also take place in May or June of each year. All parents and family members are welcome to join us for these important memorable events.

## CORAL WAY CAMPUS (FOR CHILDREN WITH LEARNING DIFFERENCES)

Highpoint's Coral Way Campus, located nearby at 9850 Coral Way in Miami, is designed to provide education for students with learning differences that have been diagnosed with a specific learning disability, Attention Deficit Disorder (ADHD), high-functioning Autism and/or Asperger's Syndrome. Individualized services; (OT, Speech, Sensory Integration, etc.) are also offered on-site. Directed by Dr. Jiliann DeVilliers (Dr Gigi), the goal of this wonderful program is to provide a high quality level of individualized education in order to develop each child's maximum potential. For more information, please call 305-552-0208.

### HEALTH AND SAFETY POLICIES

**a. EMERGENCY PROCEDURES MANUAL** is published in the Highpoint Families website ([www.highpointfamilies.com](http://www.highpointfamilies.com)). This Manual details the policies and procedures that must be followed during many different types of emergencies. Emergencies include: weather related school closures, emergency closings (i.e. fire, police, medical, hazardous materials, internal, etc.), intruder lockdowns, fire drills, etc. Meetings regarding emergency procedures as well as health & safety issues take place quarterly during Faculty meetings. There are three Lockdown Drills. These are: CODE YELLOW (potential threat is outside of the Campus), CODE RED (there is a threat inside the Campus), or CODE GREEN ("All Clear" signal to resume normal activities.) Codes are announced via the intercom and email blast to Faculty & Staff. Text message blasts will be sent to parents with specific instructions. **In cases of hurricanes or severe weather conditions, we will typically abide by the closing and re-opening of our neighbor public schools. Notice of school closures will be text blasted, email blasted AND posted on our Highpoint Families website before, during and after the storm.**

**b. LICENSES/INSPECTIONS:** Highpoint has been regulated, licensed and inspected by the Dept. of Children & Families (DCF), since its inception in 1976. The school adheres to all safety and health standards as set forth by City, State and County regulations established by the Fire & Health Departments. The school is visited regularly by inspectors to ascertain compliance with all regulations.

**c. SUPERVISION:** Students are not to be left unattended or unsupervised at any time. Teachers cannot send students out of their class without another student "buddy" and a pass. Teachers are responsible to monitor the amount of time student is out of the class when being sent for an errand. In cases of accident or illness, student must be sent to the office accompanied by another student or faculty member, not alone. In the event of an emergency, teacher is required to press the intercom button and ask for assistance at the office. In event class is outdoors, teacher must locate an adult to take care of class while he/she handles the emergency, or otherwise must make sure that student is accompanied by an adult to the office and is not at risk of danger at any time.

**d. STUDENT RECORDS:** Detailed records are kept about each child at the office. Most documents are scanned and saved on computer drives which are backed up daily on a cloud system to prevent them from being deleted. Student records include the Registration Form, Agreement Form, medical records, transcripts and any other pertinent school records. Original forms are filed in a fire-proof cabinet located at the main office. All student records are confidential.

**e. ACCIDENTS/INCIDENTS:** All faculty members have Accident/Injury Reports in duplicate that they must fill out giving all details, including date, location, witnesses and brief description of occurrence. The original form is given to the parents and a copy is filed in student's file. Employees must immediately inform the office of any accident or incident and must fill out this form. All injured students must be sent to the office immediately. Depending on severity of circumstance, parent is contacted by phone, advised of accident/incident, and either instructed to pick up child or given any other necessary instructions.

**f. MEDICATIONS:** All medications are kept in a locked cabinet and are not accessible to the students. Medications will not be accepted without the "**Authorization for Medication Form**" signed by **Parent/Legal Guardian**. This indicates name of medicine, time administered and dosage given. All dosages given are documented by the Staff or Faculty Member administering it in a "**Medication Chart**" posted in each classroom. A witness will be present each time a dosage is administered. Parents are responsible for informing us if child is allergic to any kind of over-the-counter medication.

**g. TRANSPORTATION:** Highpoint does not own any busses or vans. All Highpoint employees are prohibited from transporting students to or from any location, including field trips or their home, under any circumstances. All transportation is sub-contracted. A licensed and insured school bus or van will be sub-contracted for all Field trips. All students must be driven in motorized vehicles to/

Parent Initial \_\_\_\_\_

from our school. Students are not allowed to walk or ride their bicycle to/from our school at any time.

**h. ILLNESSES/FIRST-AID:** An isolated area specifically designated for ill children contains a cot or recliner and a cabinet with emergency medical supplies and over-the-counter medicines. In case of an illness, children are to be sent to the office where it will be determined if they need to be isolated until parents arrive to pick them up. Children with any kind of contagious or transmittable disease, including high fevers, the flu, head lice, etc. will not be allowed in school until a permission to return to school form is given to us, signed by the child's Doctor. The majority of Highpoint employees are trained in Adult and Child First-Aid/CPR and know how to administer an EpiPen.

**i. ALLERGIES:** Parents are required to notify the school IN WRITING (at time of registration or upon discovery) if child suffers from a specific illness or allergy that requires our knowledge or attention. Parents of children with allergies are required to provide TWO Epi Pens (Epinephrine Injections.) One will be maintained in the main office cabinet and one will be kept safely inside the child's classroom.

**j. PLAYGROUNDS:** Prior to registering, parents are given a tour of the school campus, including all playground equipment. Parents are asked if there is any play equipment they feel their child should not play in or that is not appropriate for them and they must acknowledge that they seem safe and appropriate upon registering. The playground areas are all safely fenced in. Children are supervised by adults at all times while inside playground areas. Only one class is allowed at the playground at any given time. Playground equipment is maintained on a regular basis and meet all standards for safety. Equipment is inspected regularly and repaired or replaced as needed by maintenance personnel. All areas are kept clean and free of potential hazard. The flooring of the playground areas are comprised of poured-in place rubber material.

**k. BUILDING SAFETY/BATHROOMS:** Highpoint Academy's buildings are divided into three areas: The main *Pre-School Building*, the *Elementary Areas* and the *Middle School Building*. During the first week of school, students are given specific instructions as to which areas are off-limits to them. Students in Grades 3 thru 8 are NOT allowed to enter the main pre-school building, including the use of the pre-school bathrooms. Elementary and Middle School students have a separate entrance, playground areas and after-school areas. Teachers are instructed to report immediately any Elementary/Middle School student observed in an unauthorized area.

**l. STUDENT DROP-OFF and PICK-UP POLICIES:** All driveway areas are clearly marked with directional arrows, Entrance Only, Exit Only, and Do Not Enter signage. Parking spaces are clearly marked for Visitors or Staff. Administrators and school guards assist with the flow of traffic and student safety. Sufficient stacking spaces and staggered drop-off and pick-up times are designed to avoid vehicle back-up and maintain easy traffic flow. All students must be driven in motorized vehicles to/from our school. Students are not allowed to walk or ride their bicycle to/from our school at any time. Vehicles cannot be parked in driveway areas at any time.

**m. SECURITY:** All gates are kept locked during the day. There are only two doors (front and side) for drop off and pick up. Only one front door is open during the day. This door is maintained locked. A receptionist serves to monitor guest arrival and open door to persons they are familiar with only. An electronic security alarm system with an infrared detector covers all doors, windows and hallways during after-school hours. The system is connected to a station that monitors the alarm and dispatches the Miami-Dade Police Department as necessary. Digital video recording surveillance systems are monitoring and recording the interior and exterior of our Campuses 24/7. An electronic Fire Alarm system is also installed throughout the building with the required pull stations. The Alarm system is connected to the electric smoke detectors. There are emergency lights and fire extinguishers located in all required areas, per Fire Department code.

**n. PARENTS/VISITORS:** For the safety of all our students, Highpoint has a "Closed Door" policy. Parents and/or Visitors are not allowed to enter the school campus, including bathrooms, hallways or classrooms, without being accompanied by a school Administrator at all times. All parents/visitors entering the building must wear a Visitor's Pass badge. Parents that need to speak to teachers are instructed to either send an e-mail, a note, or to call the school and make an appointment to meet with teacher(s). Parents are not to stop teachers in the parking lot or hallways. All faculty/staff members are instructed to immediately report any unauthorized persons observed walking inside school campus.

**o. STAFF TRAINING/PRUDENT PARENT RESPONSIBILITIES:** All Highpoint employees are trained in security measures. They are instructed to report strangers, hazards, dangerous objects, etc. Teachers have the duties of a prudent parent when making decisions regarding the safety of each child. Teachers are repeatedly instructed to maintain constant supervision and to look out for the safety and well-being of ALL students, not only their class. They are to immediately report any hazards, broken items, students' behaving

Parent Initial \_\_\_\_\_
